

## **Why should I register as a member on the web?**

If you are a member of a fund which is administered by Evolution Corporate Benefits then you are encouraged to register as a member as it will enable you to do the following at any time of the day or night:

- View, and download, your latest Benefit Statement.
- Update your Beneficiaries.

You can contact the HR Department, at your company, and they will request, and obtain, your Log In details for you.
